Conflicts of interest would arise where Tenderers:

A Tenderer may refuse the request without forfeiting its Tender security or causing to be executed its Tender securing declaration.  0 Entity and may not subsequently be made responsive by the Tenderer by
 5 correction of the non-conformity.

**Technical

- b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c) Where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.

32.2 The amount stated in the Tender will be adjusted by the Procuring Entity in accordance with the above procedure for the correction of errors and, with the concurrence of the Tenderer, shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount, its Tender will then be rejected, and the Tender security shall be forfeited or the Tender Securing Declaration may be executed in accordance with IIT sub-Clause 19.5 or 20.7.

32.3 To facilitate evaluation and comparison, the Procuring Entity will convert all Tender prices expressed in the various currencies in which they are payable to either:

Factors not included in these Tender documents shall not be used in the evaluation of the Tenderers' qualifications.
- 34.4 An affirmative determination/due diligence will be a prerequisite for award of the contract to the Tenderer.
